EPISCOPAL COUNCIL TO OPEN TOMORROW

Conference Held Today to Consider Certain Matters

PRESENT DAY NEEDS

Rev. Dr. Berryman Green, of the Thelogical Seminary, Near Alexandria to Deliver Opening Address.

Richmond, May 18.—In an all-day conference in St. Paul's Church today the delegates to the 125th annual council of the Episcopal Church in the diocese of Virginia will consider the question of the church's relation to present-day needs and opportunities of social service. The official date of the opening of the council is Wednesday, but the delegates will come a day a head to this conference, arranged by the social service commission of the church in the diocese. The conference will begin at 10.30 o'clock in the morning with the Rev. George P. Mayo, principal of the Blue Ridge Industrial school, presiding. Rev. Malcolm S. Taylor, of Berryville, will speak on "The Organization of Country Parishes for Service," and the Rev. Edmund J. Woodward, of The Plains, will speak on "Social Service Experiments in a Country Parish."

Following these two addresses there will be brief reports from the deans of the five convocations into which the diocese is divided on "The Needs

(Continued on Page Five)

REGENTS" SUNDAY AT POHICK CHURCH

According to their annual custom for many years past, the ladies of the Mount Vernon Association attended the services at Pohick Church yesterday in a body. Miss Cornegys the regent of the association, was not able to be present and her absence was much regretted. Mr. H. L. Dodge, the superintendent, came with the ladies. The services were held in memory of Miss Amy Townsend, late vice regent of New York, who died last February. She had been devoted to the work of completing the restoration of the old church which was begun under the late rector the Rev. Everard Meade, grandson of Bishop Meade.

The service yesterday consisted of the Holy Communion and was conducted by the Rev. E. W. Mellichampe, rector of the church, assisted by the Rev. S. A. Wallis, D. D., of the Episcopal Theological Seminary, near this city. The memorial sermon was preached by Dr. Wallis, who is chaplain of the Mount Vernon Ladies Association.

There was a large congregation present at the services which were very impressive. Mrs. Bands, a sister of the late Miss Townshend, was present on this occasion.

It is expected that a brick wall will be built around the churchyard, as a memorial to Miss Townshend. The original design of the vestry when the present church was built, included the erection of such a wall to enclose the churchyard. This however was never done so the building of this wall will only be the carrying out of an old plan.

Mr. Hertle, of Gunston Hall, made report, at the time for giving out notices in the church service, of what had been accomplished by Miss Townshend in completing the restoration of the church. He also spoke of her devotion to this, the last work of her life in connection with old Pohick.

Saturday, the fifteenth, instant, was the day set apart for the reception of the Governor of Virginia and the visitors appointed by him for Mount Vernon. The Governor was unable to come, but the following visitors were present: Col. Robert E. Lee, Messrs. Bryan Lee and Williams from Richmond. A delightful luncheon was served by the regents and vice regents in the old dining room and library of the mansion.

FORD OWNERS

OUR MOTTO—If it is done at Emschell's, it must be done right. 5-tf.

RETAILERS WILL MEET TOMORROW

Fifteenth Annual Session at Chamber of Commerce

EXPECT 100 DELEGATES

Welcoming Address by Col. J. Y. Williams For City—Session Will End Thursday Afternoon

DIED

WATKINS—On Monday, May 17, 1920, J. B. WATKINS, in his 61st year, beloved husband of Annie E. Watkins, and the son of the late John H., and Mary E. Watkins. Funeral from his late residence, 106 South Columbus street, Wednesday, at 4 p. m. Friends and relatives invited. Interment private. (Washington and Baltimore papers please copy.) 118-2p

MEXICAN FACTIONS SET UP NEW RULE

Gonzales' Surrender of Authority to De La Huerta Aids Cause

POLITICAL RIVALRY

Monterey Quiet Under Rebel Control; Aguilar's Escape Is Reported—Communication Restored.

Washington, May 18.—Pablo Gonzales' withdrawal from the contest for the Presidency of Mexico, reported to the State Department yesterday, was regarded here as the best indication that leaders of the de facto government desired to eliminate danger arising from political rivalry.

Further evidence of co-ordinate action was seen in announcement that Manuel Palaez, to whom oil producers have paid tribute for several years, had been appointed chief of military operations in the State of Tamaulipas.

Restoration of wire communication with the Mexican capital brought from the American Embassy long reports, but no word as to the fate of Carranza, who has fled to the hills near Jalapa, with revolutionary troops on his trail. Official advices were summarized by the State Department as follows:

"General Pablo Gonzales has publicly surrendered his authority to the 'provisional President.' in a manifesto General Gonzales announced that, to

TRACK MEET

The postponed Track Meet of the Alexandria High School will be held tomorrow, Wednesday afternoon, at 3 o'clock on the High School grounds A great deal of interest is being displayed in the coming contest and by all appearances the honors of the meet will be closely contested for.

The various class captains are getting their squads together and are entering the best of their men, each convinced that he will win.

The events are, in order, as follows: 100 yard dash; shot put; 220 yard dash; discus throw; 880 yard run; high jumps; 120 low hurdles; pole vault; broad jump; mile run, and a Freshman relay.

Dr. K. E. Wallace, of the Y. M. C. A., will referee and the judges will be C. M. Ray, P. O. Cockey and R. C. Hayden.

It is hoped the citizens of the city will take an interest in this event of the High School and show it by a large attendance.

Refreshments will be sold on the field to defray expenses.

"CENTRAL" ALWAYS ON JOB

Commenting on Sherman Rogers' unusually interesting article, "Hello Central!" in "The Outlook," A. E. Berry, President of the C. and P. Telephone Company said, "Right here in and around Washington we have the very type of telephone operators, whom Mr. Rogers has written so vividly."

"They have stuck to their jobs at all times. They have kept the service going day and night when storms made it almost impossible for them to get to work and when influenza among their associates must have been a powerful temptation to stay in the comfort and safety of their own homes. It is a remarkable feat, in my opinion, that in every sort of emergency these girls of ours have maintained local telephone service without a break."

"Most people realize what an important factor the telephne girl has become in their lives—but a few don't. She is very human, of course. But this article brings out very strikingly the fact that our young women are on the job all the time and doing their level best to keep on giving good service."

WORK AT VA. S. CO. TOLD COMMITTEE

Concern Has Delivered to Fleet Corporation Seven Boats

VALUE IS $13,160,000

The Company Out of Own Funds Has Nearly Completed Three Other Vessels—Property Unencumbered

The special committee of the House of Representatives which has been investigating for the past several months the dealings of the United States Shipping Board and Emergency Fleet Corporation, with all of the shipbuilding concerns engaged in war work, has recently been holding hearings in Washington and New York concerning the contracts given to the Groton Iron Works and the Virginia Shipbuilding Corporation.

Before the Committee temporarily adjourned the hearings being held in New York, counsel for the Groton Iron Works and Virginia Shipbuilding Corporation requested that the Committee, as soon as possible, examine witnesses who have actually been connected with the plants, so that the Committee may be fully informed upon all transactions by persons who have been familiar with the contracts from the beginning. This the Committee promised to do at an early date.

The witnesses so far called, many of them Emergency Fleet Corporation

OFF FOR ROANOKE STATE CONVENTION

Alexandria Delegates Elect Howard W. Smith Chairman

C. C. CARLIN PRESIDES

Delegates go Uninstructed —Indorse G. L. Boothe For Re-election as Member of State Committee.

The delegates elected from this city to the state democratic convention which will convene in Roanoke, Va., tomorrow met last night at McBurney's Hall and organized with the election of Howard W. Smith as chairman; C. Keith Carlin as secretary and Frederick G. Duvall as sergeant at arms.

The Alexandria delegation will leave at 10.02 o'clock tonight and they will have a special car.

The delegates go to Roanoke uninstructed. The question of adopting the unit rule was left to the delegates to determine after they get together.

The meeting was attended by seventeen delegates. This city will have ten votes. Delegates unable to attend are empowered to name their own alternates.

The meeting was called to order by F. P. Russell and William P. Woolls was chosen temporary secretary and Charles C. Carlin was chosen temporary chairman.

Mr. Carlin outlined the purpose of the meeting and suggested that the delegates wire for accommodations.

Afterward Mr. Carlin was nominated for permanent chairman but he declined and Howard W. Smith was thereupon nominated and elected.

The delegation unamiously indorsed Gardner L. Boothe for re-election as a member of the state democratic committee and also as a member of the Congressional committee.

James R. Caton suggested that the unit rule be adopted for the delegates. Objection to this plan was voiced by J. B. Collins and R. Theodore Cook whereupon this matter was left to the delegates to determine after they start for Roanoke.

SHABUOTH

Shabuoth, the Feast of Weeks, will be observed in all congregations of the Jewish faith on Sunday, May 23rd. Orthodox congregations also observe the day following. This festival is one of three agricultural feasts which were observed in the ancient Biblical era. The Feast of Weeks was in Biblical times a farmers' holiday, celebrated at the end of the first seven weeks of harvest. The ceremonial consisted in offerings of the field brought as a thanksgiving token for the new crop that was being harvested. (Deut. xvi:9.)

This feast of the first fruits, like other agricultural festivals, was gradually transformed and invested with symbolic significance. In course of time the Jewish people develcped a historical consciousness and linked traditional events with these institutions and festivals that were transmitted from a remoter ancestry. In the case of the Feast of Weeks, the giving of the Decalog was associated with the feast of the first fruits, and so commemorated unto this day.

During the last century the Feast of Weeks was enriched by introducing a confirmation ceremony in connection with its observance. The Confirmation ceremony was sponsored by the leaders of Reform Judaism who made of it a feast of consecration of the Jewish youth, boys and girls, to the ancient covenant of their fathers.

The Confirmation service does not exact from the confirmants any other confession than that of a belief in One God. and in His justice and truth as manifested in history. Confirmation Day in some congregations synchronizes also with graduation from the religious school in which the confirmants have covered an eight-year course comprising Biblical and Jewish History, Jewish Ethics and Literature and an introduction to the Hebrew Language, including a reading knowledge of the Prayer Book in its original language.

JUDGE L. C. BARLEY RESIGNS FROM BENCH

Announcement of His Action Made In Court Today

ON BENCH 17 YEARS

Successful Career as Judge—Will Resume Practice of Law—Robinson Moncure to Get Place

Judge Louis C. Barley, judge of the corporation court for this city for the past seventeen years, today announced from the bench that he will retire as judge of the court next Saturday. The announcement of his determination to lay aside the ermine came as a distinct surprise to his many friends.

Judge Barley will resume the practice of law in this city, Washington and other places. His many friends wish for him unlimited success.

Judge Barley was appointed judge of the corporation court in December 1902 to succeed Judge J. K. M. Norton who resigned. Since that time he has been reappointed to succeed himself for each term and only recently was was reappointed by the state legislature to serve for a term of eight years from February 21, 1921 to February 21, 1929.

During his long career as judge Judge Barley has decided many important civil and criimnal cases and only five times in all of that time has he been reversed by the state court of appeals and never in any criminal cases. Always fair and impartial in his decisions Judge Barley won for himself the confidence and esteem of all who had business in his court.

Judge Bailey has sent a letter announcing his resignation to Governor Westmoreland Davis and the governor will shortly announce the appointment of his successor to hold office until the next legislature meets which is in 1922 unless there is a special session.

Attorney Robinson Moncure has the indorsement of a majority of the members of the local bar for the position and it is expected that his appointment as judge of the corporation court to fill the vacancy will be announced within the next few days.

SPORTS

The Dreadnaught Athletic Club will have a track meet and baseball game on Manday, May 31, Decoration Day, the track meet will consist of the following events:

50 yard dash; 100 yard dash; 220 yard dash; 440 yard dash; shot put; running broad jump; standing broad jump; half-mile run; one mile run; two mile run; running high jump; standing high jump; discus throw and throwing baseball for distance.

Other features of this big day will be a race between all boys from the 5th, 6th and 7th grades of the Washington School. A special relay race between the High School and Dreadnaught A. C. will be the feature of the day with a baseball game. Dreadnaught A. C. vs. Indian Head. This will be an open meet for all Alexandrians; only residents can enter, entry blanks may be secured from the Club rooms at King and Washington Streets.

DANCE FRIDAY

There will be a semi-formal dance for the benefit of Alexandria Torpedo Station baseball team in the Elks' Hall Friday, May 21st. Tickets, $1.50 war tax included. Refreshments will be served at intermission. Tickets are on sale at the following stores: Rexall, Gibson, Warfield's, J. Reece Caton, R. E. Knight and Son and Jones and Astryke.

Music will be furnished by McWilliams' Jazz orchestra. All familiar with dancing know the reputation of this orchestra.

From all reports the baseball teams' last dance was one of the most successful affairs.

HAPPENINGS ABOUT CITY TOLD IN BRIEF

An important meeting of the Reliance Fire Company No. 5, will be held tonight at 8 o'clock. All members are requested to be present.

The second of the series of dances for the baseball team of the Naval Torpedo Station, will be held in the Elks' Auditorium, Friday evening.

The regular meeting of the Mason-Dixon players has been postponed until Tuesday, June 1. Each member will be notified by card.

Hugh Williams, of the U. S. S. Mercer, is here on a visit to his father, Mr. James Williams, 220 North Patrick street.

Mrs. J. Frank Carlin delightfully entertained the members of Mount Vernon Circle of King's Daughters at a shad bake yesterday evening at her home at Arcturus.

James E. Phillips, son of the late Cornelius Phillips, died at his home, 609 South Fairfax street, at four o'clock this morning. He is survived by his brother, Oscar W. Phillips, and two sisters, Mrs. Janie Dix, and Miss May Phillips.

Mrs. Melisse Wells, 64 years old, died last night at Providence Hospital, Washington. The body was brought here and taken to the residence of her daughter, Mrs. William Beach, 1218 King street, from whence the funeral will take place at 2 o'clock Thursday afternoon.

A meeting of ex-service men who are to form a local legion of the private soldiers and sailors Legion will be held in a day or two to select a name for the local to be formed in Alexandria. Due notice will be given through these columns of time and place of meeting.

Announcement is made of the marriage of Miss Margaret G. Stonestreet of Indian Head, Md., and Mr. Norman L. Reynolds, of this city, which took place Saturday afternoon at the parsonage of St. Mary's Catholic Church, Rev. L. F. Kelly officiating. The couple will reside here.

The annual convention of the 4th District, Virgina Division, United Daughters of the Confederacy, will open with a reception at 8 o'clock tonight in Lee Camp Hall, to the delegates Daughters of the Confederacy, Veterans and Sons of Veterans. The first business session will be at nine o'clock tomorrow morning.

THE DEATH OF J. B. WATKINS

Mr. J. B. Watkins died on Monday morning, May 17, 1920, at 8.15 o'clock, at his residence 106 South Columbus street. For more than twenty years Mr. Watkins health had been impaired; nine years ago he was compelled to retire from business and spent these years mostly at home; although he would occasionally walk about town seeing the places of interest and greeting old friends. Within the past two months his condition became alarming, following a very serious accidental fall.

For more than twenty years Mr. Watkins was in active business on King Street, and was one of our most respected business men. He was the son of the late John H. and Mary Watkins, well known residents of Duke Street Extended.

Mr. Watkins is survived by his wife, Mrs. Annie E. Watkins, who was Miss Annie E. Luckett, of Baltimore; and a son, Mr. C. Luckett Watkins, city engineer of Roanoke, Va. There also survive him a brother and sister, Dr. E. W. Watkins, of Washington, and Mrs. Alvin Powell, of Alexandria.

Mr. Watkins was a charter member of the Royal Arcanum; and a lifetime member of M. E. Church South of this city. During the days of his health he was active in all the interests of his church; and even in the days of his disability maintained that interest. For many years he has been a steward in the church; as well as a trustee of the church and Young Peoples' Building, and of the Union Cemetery.

His funeral will be held at his late residence tomorrow, Wednesday, at 4 p. m., conducted by Rev. Dr. E. V. Regester, his pastor; and he will be laid at rest in old Union Cemetery.

JUDGE BARLEY RESIGNS

It is with a sense of deep regret that we announce in another column the resignation of Judge Louis C. Barley, who for the past 18 years has presided over the corporation court of this city.

His inborn sense of justice coupled with his profound knowledge of the law have formed an ideal combination for the performance of his judicial duties. In his long career as a jurist involving the decision many important cases, his rulings have rarely been reversed by the Supreme Court of Appeals.

It is said in the biography of a noted English jurist that he lacked one instinct—that is to decide a case to the satisfaction of both complainant and defendant. The same may be said of Judge Barley, who, like all mortals, may have made mistakes of the head but not of the court.

For many years Judge Barley has been as close a student of the scriptures as he has of law, and his spiritual nature has rendered him prominent in religious movements in our city in recent years. We all recall one of the most thrilling scenes at the Gypsy Smith meetings in Alexandria in 1916 when the judge mounted the platform in the presence of several thousand men, women and children and proclaimed himself a follower of the Crucified One. His action sent thrills throughout the congregation and spurred many to come forward and do likewise.

Judge Barley's many friends and acquaintances wish for him great success in his calling not only as a lawyer but as religious teacher, in which avocation he has accomplished much in the work of rescuing numbers who had previously been stragglers in the march of life.

PRODUCTION AND PATRIOTISM

President Bailey, of the American Supply and Machinery Manufacturers' Association, which is meeting in Atlantic City this week, says the business men of the country will gladly pay workmen high wages if they will only bring production up to normal.

A cotemporary in commenting on this proposition says "the greatest problem now facing the American people is contained in that simple observation. The complaint of employers everywhere is not over increased wages, but over decreased production. And it is a lamentable fact that nearly every increase in wages is followed by a decrease in production. If this state of affairs were confined to the industrial sections of the United States it would be bad enough, but unfortunately it is having a vital effect upon agriculture. Men are quitting the farms everywhere in order to come to the cities to get abnormally high wages in the mills and shops. What is the result of this? Crops or farm production reduced one fourth already, with worse conditions in prospect. Abandoned farms in some places with others so poorly manned that the owners are all but wearied of the struggle.

"It does not require the wisdom of a Solomon to understand that a continuation of this condition means disaster. Easy money may prove to be very hard money in the end. If we neglect the soil we must pay a heavy penalty. And we are neglecting it in a way that is perilous to the people. The city worker, receiving more pay than ever before, may not appreciate this fact, but, it is a fact nevertheless. In one district in the West we are told that manufacturers have combed the farms of that section for workers with such success that one will not find half a dozen young men on the farms in a full day's travel. Farming organizations, in self defense, are sending agents in to factories and automobile plants in a desperate attempt to win back some of their hands.

"This kind of a war is, in its way, more destructive than the awful struggle that has been devastating Europe, because it threatens the food of every man, woman and child in this country. Is this a plea for low wages. Not at all. It is an appeal for greater production. That is the one solution of the great problem. Produce! Produce more!! Produce still more!!

"If the workers of the country would declare in favor of the greatest possible production and the employers would agree to the highest possible wages the people could look to the future with optimism. It is the one way out of a menacing situation. But until such a policy becomes general it is idle to complain about high prices. Greater production on the farms and greater production in the factories would mean a sure return to normal and a long continued era of prosperity in the United States."

NEGLECTING THE SOIL

"The harvest is great, but the laborers are few,' was the observation of the Great Teacher as He cast his eyes over the fields in Judea centuries ago. It is so now.

Many of the big farmers through the Clarksboro, N. J., section are in hard straits. They have planned a large acreage, believing that when the time came the necessary help would be on hand to take care of the crops. That time is here and the help has not arrived. Many South Jersey farmers own trucks, but the question is, when shipments must be made, "who is going to run them?"

When a couple of farm men take a truck load away, that much work on the farm, now necessary, must go undone. It is not a question of wages that leaves the farmers helpless. A farm hand can command his own figures, but the farm hand is not coming around looking for work. There is a vast acreage in the ground. Around here, it is much larger than last year. It must all be cultivated regularly. Unless labor can be had much produce will go to waste.

The tomato fields look fine. The growers, taking the advice of canners to plant largely, have put in a larger planting for "earlier" than last year. The late crop is yet to be put in the ground. How these crops are to be gathered when they come on, is another problem.

The smaller trucker is up against it. The asparagus beds are jumping over night. This crop must be taken care of as it grows. The cool nights have not affected the yield. It is a prediction that it will not all see the markets. Grower cannot do the impossible.

Tomato fields that escaped the cold spell of a few weeks ago are as fine as ever seen at this season. Onions will soon be ready for pulling and there is the largest acreage ever planted in the county. It is not so much the question of growing these days as getting the truck to consumers.

THE MAID OF ORLEANS

Joan of Arc is at once the most pathetic and the most glorious figure in secular national history. Her tardy ecclesiastical vindication adds nothing to her glory, but it emphasizes the cruel ingratitude and injustice of which she was the victim. The church has done more for itself than it could do for her in canonizing her. It has offered her memory all the amends in its power, and it has shown moral courage in doing so. But nothing we can do now can wipe out that shameful page in human history in which the intelligence and religion of a nation made common cause against its defenseless savior.

If there is another life, however, Joan may be pleased to learn that men are growing more tolerant toward each other, and that it is beginning to be considered bad form to crucify benefactors. It is slow work to civilize the human heart. Joan becomes a saint on earth only after centuries of sainthip in Heaven. Perhaps by the year 2500 it may be admitted that Woodrow Wilson did not deserve to be put to the torture because he was in favor of peace on earth good will toward men.—Baltimore Sun.

FINES BY CRUTCHFIELD

The fines imposed by Justice Crutchfield in the Richmond Police Court are in marked contrast to those imposed in other cities in the Commonwealth for similar offenses. The following examples are given:

Walter E. Durham, John Powell and W. B. Graves were each fined $50 and costs for running their autos ahead of the speed limit.

(Ten dollars is the maximum penalty in Alexandria, although recently three men paid $25 each for joyriding in an automobile at an unlawful speed.)

Russell Farmer was fined $25 and costs and required to put up $100 security for 60 days for resisting Policeman Bottoms, who sought to arrest him on a charge of drunkenness. (Such offenders generally get off with a $10 fine in Alexandria.)

Milton Murphy was fined $100 and costs and put under $100 security for 90 days and his permit to drive cr... revoked for running an auto while in an intoxicated condition. (Fifty dollars is the fine imposed in Alexandria against such offenders.)

Justice Crutchfield's procedures are generally approved by law abiding persons. He believes in drastic action and if severe penalties were imposed upon defiers of law all over the State a diminution of crime would result.

One cold rain can ruin an apple crop.

Formosa controls opium smoking by license.

Pure silk is one of the most durable cloths.

RE-SALE
at
PUBLIC AUCTION
of the entire plant of the
General Shipbuilding Company, Incorporated,
On the premises at Alexandria, Va.
Saturday, May 22nd, 1920.

Be Rid of Painful Corns

"Gets-It" Makes Them Loose Up So They Lift Off Painlessly.

There's no more pain after a few drops of "Gets-It" lands upon corn or callus and instantly dries.

In a day or two you lift the old misery-maker right off without even feeling it. That's the last of Mr. Corn and the last of your misery. Millions who have lost their corns the "Gets-It" way say it is the only common-sense way to get rid of the pests.

"Gets-It," the never-failing, guaranteed money-back corn remover costs but a trifle at any drug store. Mfd by E. Lawrence & Co., Chicago.

Sold in Alexandria and recommended as the world's best corn remedy by Richard Gibson and Frank Warfield.

PRINCE OF SPAIN
Don Jaime

Born stone deaf and dumb and now at 12 years of age hears and talks as the result of an adjustment in the neck. All the previous 12 years the most famous specialists in Europe had been appealed to, to give hearing and speech to the prince who, in that condition, could not qualify as heir to the throne of Spain. All the efforts were in vain, when finally an anatomical Adjustor in London, (here Chiropractor) by a dextrous chiropractic move took the pressure away from the great nerves to the ear, which up to that time had been paralyzed. Almost immediately the prince could hear and soon also began to talk. Such and similar things are being done by Chiropractors every day, only they don't get a chance at Royalty very often.

No matter what your disease always think of Chiropractic, it is harmless and does not make a drug or dope fiend out of you.

DR. H. E. HANSEN
Chiropractor

SLOW DEATH

Aches, pains, nervousness, difficulty in urinating, often mean serious disorders. The world's standard remedy for kidney, liver, bladder and uric acid troubles—

GOLD MEDAL HAARLEM OIL CAPSULES

bring quick relief and often ward off deadly diseases. Known as the national remedy of Holland for more than 200 years. All druggists, in three sizes.

Look for the name Gold Medal on every box and accept no imitation

CALOMEL HORROR TOLD BY DODSON

You Don't Need to Sicken, Gripe, or Salivate Yourself to Start Liver

You're bilious, sluggish, constipated. You feel headachy, your stomach may be sour, your breath bad, your skin sallow and you believe you need vile, dangerous calomel to start liver and bowels.

Here's my guarantee! Ask your druggist for a bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling splendid. It is perfectly harmless so give it to your children any time. It can't salivate.

Call early and get real bargains.

Five STAR POINTS of the
RED STAR
Detroit Vapor Oil Stove

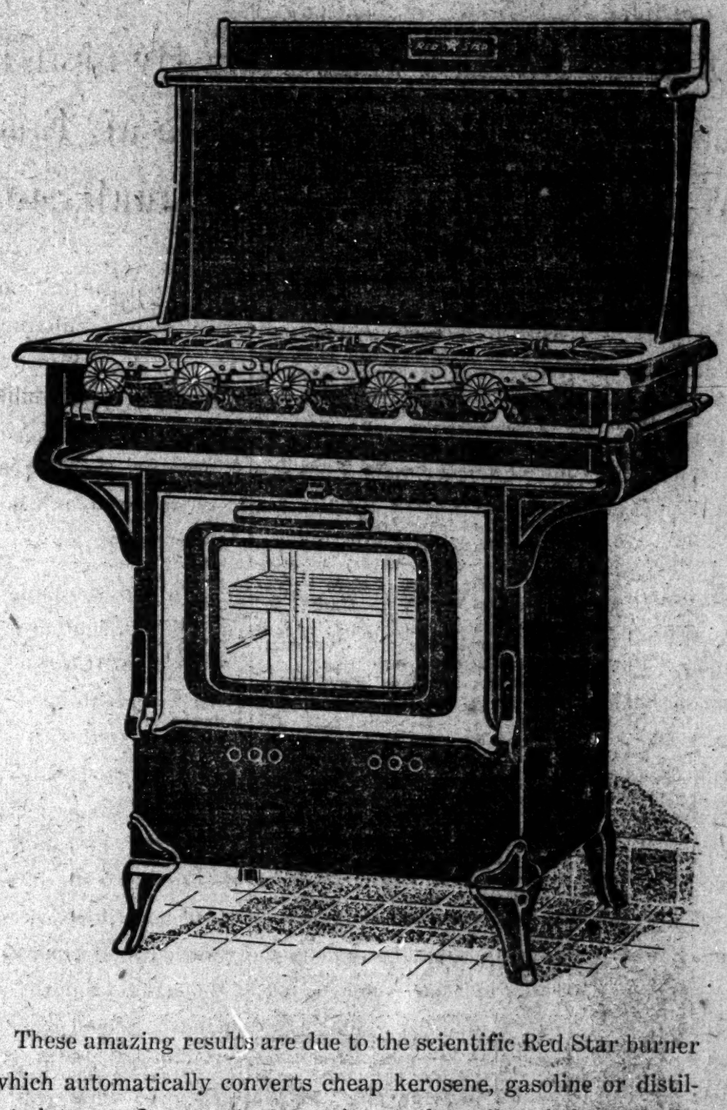
1 Durable 8 1-2 pound burner without wicks or wick substitutes. Lights instantly. More economical than coal, wood or gas. Heat directly under cooking utensil.

2 Positive valve control regulates heat like city gas. A quick, hot fire or a slow, steady fire by simply turning valve.

3 Double flue oven bakes perfectly as fast as a gas range. Linings are rust resisting. Glass door. Handle always cool.

4 Convenient, full length high shelf. Fuel supply back of stove. Double tank makes refilling easy.

5 Black enamel finish requires no blacking. Easily cleaned with a dry cloth. All nickel parts highly polished. Gas stove appearance.



These amazing results are due to the scientific Red Star burner which automatically converts cheap kerosene, gasoline or distillate into gas. It concentrates an intense heat directly beneath the utensil. Positively smokeless and odorless. Lights and operates as easily as a city gas range. Gives two rings of flame instead of one. Burner becomes red hot, adding intense heat. Burner of grey iron weighs 8 1-2 pounds. Will last a lifetime. Gives 19 hours of heat from each gallon of fuel. Saves easily 25 per cent of fuel. Fur cheaper to operate than city gas, wood or coal.

We carry this stove in four models, we have same on display for demonstration. We have at present a limited supply of all models, and it will be impossible to secure more this season. Call early if you are interested in oil stoves.

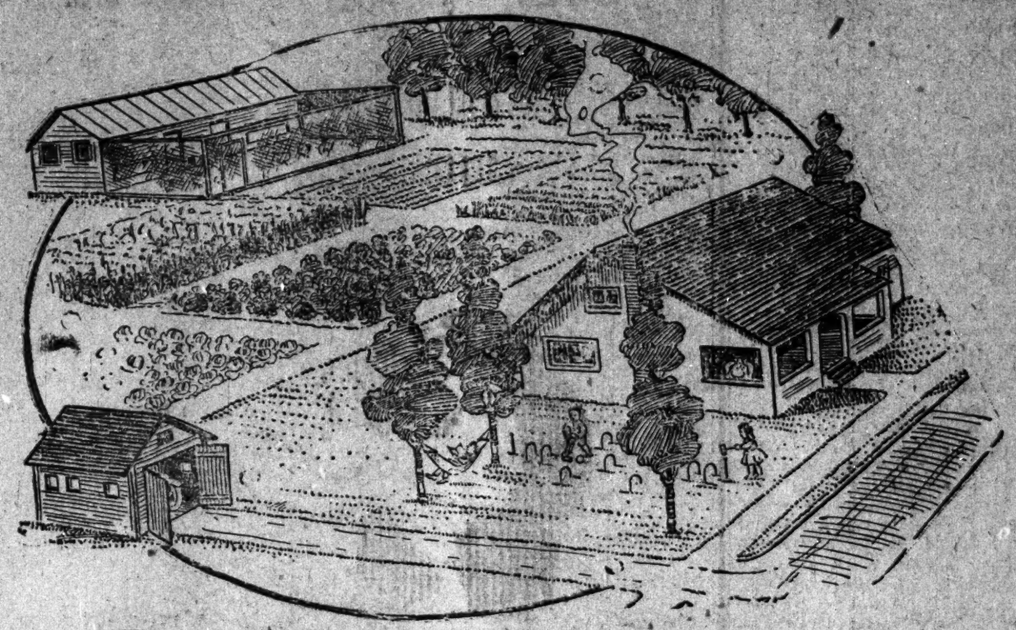
OWN YOUR OWN HOME!

Protect Yourself Against

—HIGH RENTS
—FREQUENT MOVING
—UNREASONABLE LANDLORDS

If you own your own home you can have the house, both inside and outside, fixed up in the way that will give you the most comfort.



All That You Really Need is

—A RECORD FOR HONESTY
—A LITTLE CASH
—DETERMINATION

If you are possessed with these three things a very little investigation will make it possible for you to take the steps toward home ownership.

A Deed To a Home Is a Protection That May Be Easily Gained

Don't Envy the Man Who Owns a Home. It Will Do You No Good. If You Want a Home That You Can Call Yours It Will Be an Easy Matter. Visit Your Banker or any Real Estate Dealer and You Will Quickly Learn How a Small Sum as Down Payment Will Put You in Possession of a Cherished Home

Home ownership is extremely desirable as it is a safe place for your money to be invested and at the same time it assures a home for you and your family in old age. If you purchase directly, your money, while safely invested, can be easily obtained if it is necessary for you to use it. A deed to a home is better evidence of a man's responsibility than is even money in the bank. No man should hesitate to make a payment upon a home any more than he should in making the initial deposit upon a bank account. Any man who can make the payments of rent each month to a landlord can keep up his payments upon a house if he will be honest with himself as he is to his landlord and as he sees the benefits to be derived from putting his rent money into a home rather than into the pockets of another, it will soon be a pleasure to meet the installments as they become due.

The longer you wait in taking the step that will mean a home to you and yours, just so long will you continue paying out your money for rent and will put off the day that much further when you will be the landlord of your home.

To have a place that is your own, not month by month as you pay rent for it, but that is yours to keep, is a great joy and contentment. Every dollar you have so invested is as safe as if in the strongholds of the U. S. Treasury and pays you far greater interest returns than you could obtain from any banking institution. In these days of house building with scarcely any houses in sight, the price of real estate has soared to a top place. It is not uncommon to hear a man say that if he wanted to sell he could make several hundred dollars and even thousands upon his investment. Some who have sold and made much as well as those who have an opportunity to sell and gain, have only owned their places a short time, while others have had the use of the rental from the property for years. This clearly shows that money invested in a home is safe and that if you have used ordinary judgment in purchasing the property that not only can you get back what you have invested in the place but you can get back much more than is invested. Even if you buy on a contract and the time comes when you want to sell or must raise some money, the equity which you have in the place will bring you more than the sum of money you have paid. The greatest argument for owning a home is not the disposal value of it, but its protection that it offers both you and your family. Old age, sickness, death is upon your tracks. As head of your house it is your duty to protect the interests of your loved ones now, in the future, while you are with them, as well as to protect them after you have departed from this life. How much help it will be to have a home when you are gone. A place that no landlord can deprive you of. Your good judgment tells you that these statements are true facts and that you should be purchasing that home which will be a protection to your household. It is time for you to act.

HOW
Better Can You
PROTECT

yourself and family Now, as well as in the Future, as by a

EDWARDS AND BRYAN

Governor Will Submit Wet Plank in Platform

Gov. Edwards who attended the banquet of the New Jersey Bankers' Association at Atlantic City last week, said: "There seems to be keen interest as to whether I will submit a wet plank at the convention for insertion in the platform. I will say yes. I had determined upon that move. I realize it will meet vigorous opposition but I want to have an expression put on record at the convention.

"Bitterly," he said, 'I have learned that Bryan called me a joke yesterday. Well, if I am a joke, I will not be one for more than a year, nor for seven or eight years. Bryan, I may say, has been a joke in the Democratic party for twenty years. * * * Perhaps Bryan may learn in the end that I am the joker in the pack."

Asked if he would challenge Bryan in the convention, he replied, "Yes, When I am in the convention I mean to ask Bryan where he was during the war. I had a son with the colors overseas. Bryan was running around jabbering with a lot of long haired men and short haired women. Bryan is a man who may be some duck in this manner. I may say he is too lazy to work, too honest to steal, but always ready to accept someone else's money."

SWISS JOIN LEAGUE

Nation is First to Approve Covenant in Popular Referendum

Berne, May 18.—Switzerland yesterday in a referendum on the question of accepting or rejecting of membership in the League of Nations, voted in favor of the proposition.

The vote was a narrow one, 11 1-2 of the cantonal votes being in favor and 10 1-2 against. The popular vote in favor of the League was approximately four hundred thousand and against it three hundred thousand.

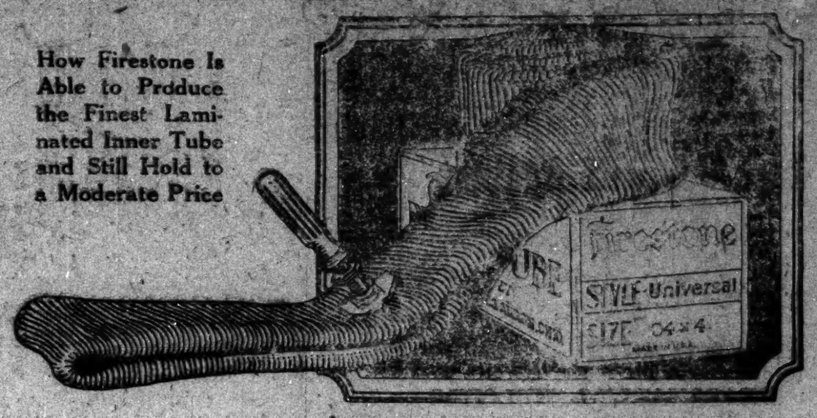
The Tube

How Firestone Is Able to Prdduce the Finest Laminated Inner Tube and Still Hold to a Moderate Price



Firestone Man Power: Firestone has gathered together a remarkable body of workers, 17,000 strong—many of them stockholders in the Company. Men financially interested in the success of their product do better work.

Firestone Buying Power: Firestone has established purchasing headquarters at Singapore in the Straits Settlement where 85% of the world's rubber is produced. Thus Firestone gets first choice of the raw product at quantity prices. And this saving is turned back to car owners.

Firestone Selling Power—Firestone's immense production requires a widespread distribution system. Sixty-five branches and 46,000 dealers throughout the United States selling Firestone Tubes assure a fast-moving product, which means fresh stock at all times—most miles per dollar in tubes as well as tires.

4 Cases of Typhoid

Health Officer Foulks Says Due to Outside Infection

During the past six weeks, I have traced up four cases of typhoid fever that have developed in this city and found them due to outside infection' That is to say I found after careful investigation they had been drinking water from infected wells or springs located outside of the city limits.

I wish to give public warning that it is dangerous to take a drink of water from any well or spring unless it has been tested and officially passed as being free from pollution and safe for drinking purposes.

Daily analyses of our city water, made in our laboratory, does not show any serious pollution of that supply. If it should at any time do so, I will give public warning.

Swimming in the Potomac river in front of this city will give any person typhoid, unless he is immune to the disease.

The Hume Spring, Procise and various other springs on the outskirts of our city, are dangerously polluted, as are many farmhouse wells.

I have time and again advised our citizens to protect themselves against typhoid fever by taking the anti-typhoid vaccination.

It is an absolute protection. We do it free of cost if you cannot have your family doctor attend to the matter. Call at Health Office, City Hall, Hours, 9 to 5.

Louis E. Foulks, M. D.
Health Officer.

EPISCOPAL COUNCIL TO OPEN TOMORROW

(Continued from Page One)

and Opportunities for Social Service in the Convocations," and at the close of the morning session its message will be summed up by the distinguished guest of the conference, the Rev. Dr. Worth M. Tippy, secretary for social service of the federal council of the churches, and one of the most authoritative experts in America on the relation of the church to the community.

Part of the money given in Virginia in the recent nation-wide campaign is in the hands of the diocesan social service commission for advance work in the diocese and it is the purpose of the conference to determine the ways in which the men actually at work in Virginia think that the church's chance for community service may best be promoted.

There will be luncheon for the delegates and they will convene again at 2.30 o'clock. The Rev. Dr. W. R. Bowie, chairman of the diocesan social service commission, will preside, and the opening addresses will be made by the Rev. Dr. Berryman Green, of the Virginia Seminary, and the Rev. Beverley D. Tucker, Jr., of the University of Virginia. They will speak on "Present-Day Social Needs and Problems and Their Challenge to the Church." and will be followed by Dr. J. T. Mastin, of the state board of charities and corrections, and the Rev. Robert B. Nelson, of the state bureau of Hygiene.

There will be other brief reports and expressions of opinions from the clergy in the diocese, and Dr. Tippy will again sum up the discussion . In the evening at 8.15 o'clock there will be a mass-meeting in St. Paul's, at which Dr. Tippy will make an address on "The Responsibility of the Church In the Present Day."

MEXICAN FACTIONS SET UP NEW RULE

(Continued from Page One)

preserve revolutionary unity, to restore tranquillity to the nation, to eliminate possibility of future conflict, and to leave Congress untrammelled in its elections of a provisional president, he irrevocably withdraws his candidacy for the next Presidential term and will surrender to the provisional president 'the authority which revolutionary conditions have forced him to assume.'

"The Mexico City press yesterday announced trains captured from Carranza were being brought to Mexico City, and civilians who remained with the trains are being given every protection. Those who accompanied Carranza are being pursued by the revolutionary cavalry."

WORK AT VA. S. COMPANY TOLD COMMITTEE

(Continued from Page One)

employees, have testified that the plant of the Groton Iron Works at Groton, Connecticut, is the best built steel ship yard on the Atlantic Coast, with a large equity over and above the Shipping Board's mortgage; that it has delivered six steel vessels, valued at $10,515,648.00, which proved in operation most satisfactory; that it has nearly completed three other vessels, valued at approximately $6,000,000.00; that with the return of surplus material already effected and now being completed the Emergency Fleet Corporation will have received steel vessels paid for at contract prices with no loss to the Fleet Corporation. These same vessels, costing approximately $16,000,000.00, will have a selling value (at the present prices asked by the Shipping Board) of nearly $18,000,000.00, a net profit to the United States Government of approximately $2,000,000.

The Fleet Corporation employees, while saying that some of the early payroll records of the Groton Iron Works were necessarily inaccurate due to the forced plant and ship construction under war time conditions, were positive in their statements that all funds received had been properly accounted for; that there was no padding of payrolls, fraud or deceit in any transactions with the Government.

The investigation by the Committee relative to the Virginia Shipbuilding Corporation contract has developed the fact that the Emergency Fleet Corporation has granted to the Virginia Shipbuilding Corporation one contract for twelve ships, aggregating in contract price $18,048,000.00.

By reason of increase in wages, changes in construction and extras the Fleet Corporation became obligated to pay for these twelve vessels approximately $22,560,000.00. In the performance of this contract the Fleet Corporation has paid to this company, including all sums loaned on mortgage, approximately $13,500,000.00. The Company has delivered to the Fleet Corporation seven vessels of a contract value of over $13,160,000.00. Not only this, the company has nearly completed three other vessels with its own funds, leaving to the Virginia Shipbuilding Corporation an equity in ships of approximately $4,000,000.00 with an unencumbered plant.

From a careful consideration of the entire testimony taken by the Committee it becomes apparent that the United States Shipping Board, in its dealings with the United States Steamship Company and its subsidiaries, has secured for the United States merchant marine substantial vessels of a value largely in excess of the amounts paid for their construction, and that the United States Government, instead of suffering any loss by reason of those dealings, is now is a position to reap a substantial profit.

ALLIES QUIT RHINE TOWN

French and Belgians Evacuate Frankfort After Paris Demands Hostages

Berlin, May 18.—French and Belgian troops evacuated Frankfort early yesterday without disturbance. During a minor clash yesterday, one woman was reported fatally injured. Reports said four intoxicated French soldiers started the trouble.

As a guarantee against possible demonstrations by citizens of Frankfort and other German towns in the newly occupied Rhine territory, the French have demanded that the Germans post a forfeit of a million marks and deliver six hostages, a Frankfurt dispatch says. The hostages would include the mayor, governor, chief of police and chairman of the city council.

That Satisfied Feeling

only comes when you're comfortably settled in a home of your own.

Here's an opportunity for complete satisfaction.

Six room brick with pressed brick front, bath, dry cellar, range and latrobes installed, newly papered and painted. Immediate possession. Price and terms right. Located in 1000 block on Duke Street.

YES, BOYS ARE HARD ON SHOES but, then, when we put on our thick long-lasting soles and heels, boys will wear their shoes so much longer and save you a lot of shoe money. Our soles and heels actually last longer than the original factory materials—they almost outlast the uppers. And the boys are grateful, too, for strong soles and heels.

Announcing Our First

Cash Clearance of All

DRESSES FOR WOMEN AND MISSES

For the first time since the opening of our new store and right at the height of the spring season, we are giving the women and misses of Alexandria an opportunity that has never before been offered. We find in our store, a much larger stock of the most fashionable dresses on the market, than we wish to carry over into the warm weather, and so we have arranged this first cash clearance sale. Every dress in stock will go at cost and less in order to get them off our racks. In the lot are hundreds of beautiful models, made in the very latest styles and materials, colors to suit the most particular shopper. This is a sale you cannot afford to miss and one that will prove a genuine saving to all.

Thursday, May 20---Friday, May 21---Saturday, May 22
Are the Dates---Don't Forget Them

Special No. 1---Serge, Satin, Taffeta Dresses

AT

$12.95

In this lot are included hundreds of the highest class garments in our stock; dresses that have been selling at three times the price quoted—all are to go in this sensational CASH CLEARANCE SALE. Formerly sold up to $39.50 to go at $12.95. See this excellent value lot.

Special No. 2---Satin, Taffeta, Georgette Dresses

AT

$22.50

Satin, taffeta, serge, plain and beaded georgettes are the materials in this special lot of fine dresses. Some of the models are plain while others are fancy trimmed. All were exceptional values at $59.50—all to go at $22.50.

Special No. 3---Georgette, Satin, Tricotine Dresses

AT

$35.00

A beautiful assortment of plain, flowered, embroidered and beaded georgettes, taffetas, satins and tricotines—never a prettier showing made in Alexandria—dresses that formerly sold at $85.00—special for three days $35.00.

This Sale Will Positively Close Next Saturday Evening. During the Sale--No Charges---No Alterations---No Exchanges. Every Sale to Be Strictly Cash. See Our Window Display--Then Step Inside the Store

VIRGINIA NEWS

The following item appeared in the Richmond Times-Dispatch fifty years ago: "A man in Abingdon was fined by a magistrate for sleeping and snoring in church. Nothing was done to the clergyman for putting him to sleep.'"

Isaac Freeland, alleged to be of negro descent, who eloped to Hagerstown Thursday with Miss Daphna Donivan, aged 16, is held in jail at Harrisonburg to await a hearing on June 1. Mr. and Mrs. E. Mason, who are charged by the girl's father, John Donivan, with having aided Freeland in his courtship, have been released on bail of $500 and $100, respectively, to await a hearing on June 1. Donivan, who is charged with cruelty by his daughter, was released on his own recognizance.

John Temple, aged about forty-seven years, came to his death Sunday by his head striking an awning pole. According to the police, Temple, while under the influence of liquor, entered the store of Max Sterne, and while there attempted to create a disturbance, when he was ordered out by the proprietor. The man subsequently returned and then it is said, SSterne attempted to put him out of the store, and in the struggle after reaching the sidewalk Temple fell, his head striking the awning pole, the blow killing him almost instantly. Sterne was arrested to await the result of the coroner's inquest.

Walter Siegfried, a German born American, who lost his right leg, sustained sixteen fractures of the ribs and carries a silver plate within his skull as the result of services rendered this country with troop A, of the eleventh regiment of cavalry, doing Mexican border duty, attempted suicide by shooting himself in a room at the Lutheran Brotherhood Home in Norfolk. He is at the Protestant Hospital still alive, but little hope is held for his recovery.

Gilbert Henson, 14 years old, was found dead beneath the horse he had been driving on the farm of his guardian, John Eifer, near Strasburg. The accident occurred while the boy was hauling water. The cart overturned, throwing the horse and pinning the boy underneath.

Lieut. Gov. Buchanan, counsel to the comptroller of the currency in Washington, has withdrawn from the governorship race, leaving the field open to Harry St. George Tucker.

Damages of $5,000 for wounded affections and feelings as a result of treatment of his daughter, Polly, aged 15, were awarded P. A. Shifflett Saturday against Sol J. Hensley by a jury in Circuit Court at Harrisonburg. Hensley is a farmer and owns property valued at one hundred thousand dollars. He was once a candidate for sheriff of Rockingham county. Shifflett is an aged farmer of eccentric habits.

RADICAL WING DEFEATED

Move For "Proletariat Dictatorship" is Crushed

New York, May 18.—The "Red Flag Internationalists" of the Socialist party of America went down to their first real defeat in the party's national convention here yesterday.

By the decisive vote of 103 to 33 the convention crushed a "radical declaration of principles submitted by the delegation from Illinois which provided for the "dictatorship of the proletariat" and limitation of citizenship throughout the United States.

"There is only one road to victory, There is only one flag, the red flag of international socialism. We can do nothing better than ally ourselves with our comrades in Russia, Italy and everywhere they believe in international socialism. "I see only one kind of socialism—international, world socialism. We cannot compete as phrase mongers with the Labor party, the Nonpartisan League, the Committee of 48 or any of the old parties. But we can compete with all in the phrases of revolutionary socialism."

Germans are in Mexico to buy surplus cotton and wool.

Conserve Your Energy With Electricity

Electricity is fast coming into prominence the country over as the greatest and most economical of all labor-savers. It conserves health, strength and energy and on hot summer days, does away with the usual unbearable heat of the kitchen. Your work is done in half the time necessary with the old time utensils and is done better than was possible a few years ago. Let us demonstrate to you.

Hot weather is fan time and although the hot days have been few so far this year, they are bound to come and probably hotter than usual. Place your order with us for a G. E., Robbins and Myers or Westinghouse fan today and be sure of delivery when fan time finally arrives. We carry the most complete stock of these three famous makes to be found in the city.

IRON ELECTRICALLY

Do your ironing quickly, easily and make the follow-up of wash-day a day of pleasure instead of dread.

BEAUTIFY YOUR HOME FOR SUMMER

Install in your living room a beautiful reading lamp-one of the most comfortable of household necessities.

Resolve to make your home the "Home Beautiful" this summer-when the doors and windows will be left open. Be proud of your home—ask us to help you in your selection of appliances that will prove a joy for a lifetime. We are headquarters for electrical appliances of all kinds.
